Job Title: Lowboy Driver
Date Posted: Friday, April 12, 2019
Reports To: Vice President of Operations
FLSA: Non-Exempt (Hourly)

Who We Are:

For over 110 years and across three generations of family ownership, Brooks Construction Company, Inc. has stood for **quality, integrity, and value** in the civil construction industry. Based in Fort Wayne, Indiana, with over 225 employees, Brooks Construction provides asphalt, concrete, earthwork, and pipe operations across northern Indiana and northwestern Ohio using best practices and innovative techniques to give our customers a quality product.

Job Summary:

Individual is primarily responsible for driving a tractor and trailer lowboy to locate and relocate heavy equipment that is used in building, repairing and paving roads. This individual is responsible for the safety of their equipment while picking up, moving and dropping off. Working with foremen and management as needed to make sure the job is done correctly. Secondary duties will include running a dump truck when needed.

Essential Job Functions (*=Non-essential tasks):

- Operates a tractor and trailer lowboy to perform assigned tasks relating to road construction, repair and paving
- Loads and unloads heavy equipment to carry to job sites. Transports equipment on a tractor and trailer truck
- Transports heavy equipment to and from the job site
- Works in the yard to move other material when not transporting heavy equipment
- Following rules of Department of Transportation
- Understanding the route of their shipment
- Understanding the truck route and the way to find the fast and safe route
- Calculate the preparation time to deliver equipment on time
- Coordinating repair if there is a problem with the truck or trailer
- Receiving telephone contact from the supervisor to receive clear instructions
- Up to date with federal or state regulations related to items being transported
- Operating a dump truck when needed
- * Assist others in department as needed
- * Other duties as assigned

Requirements:

Experience:

- Previous hands-on construction experience with some knowledge of Heavy Highway work is preferred
- Minimum of 1 year of experience with heavy equipment
- Must hold and maintain a valid Class A Commercial Driver's License
- Highly desire a member in good standing with the local Teamsters union
